Super Seller Rewards

Dream Big. Set Goals. Achieve Big.

Ready to become a Super Seller? This year, we're launching our new Super Seller pilot rewards program just for Girl Scouts who achieve 500+ packages sold!

Girl Scouts who set big goals and reach them in the cookie program can earn awesome rewards, exciting experiences and even the opportunity to renew their Girl Scout membership! In addition, their achievements can help support troop activities.

How it Works

Once you reach 500 packages, you'll earn a Super Seller point. Then, you'll earn an additional point for every additional 100 packages you reach. The more you accomplish, the more points you earn – and the more choices you'll have!

Redeem your points for cool prizes, experiences or to renew your Girl Scout membership.

Set Your Goal. Reach Your Dreams!

Whether you're dreaming of an amazing experience, an awesome prize or another year of Girl Scout fun, your cookie program achievements can help make it happen!

Keep an eye out for the Super Seller information on our council website in early December. The flyer will have all the details you need to help you set your personal goal and plan for your Super Seller journey.
