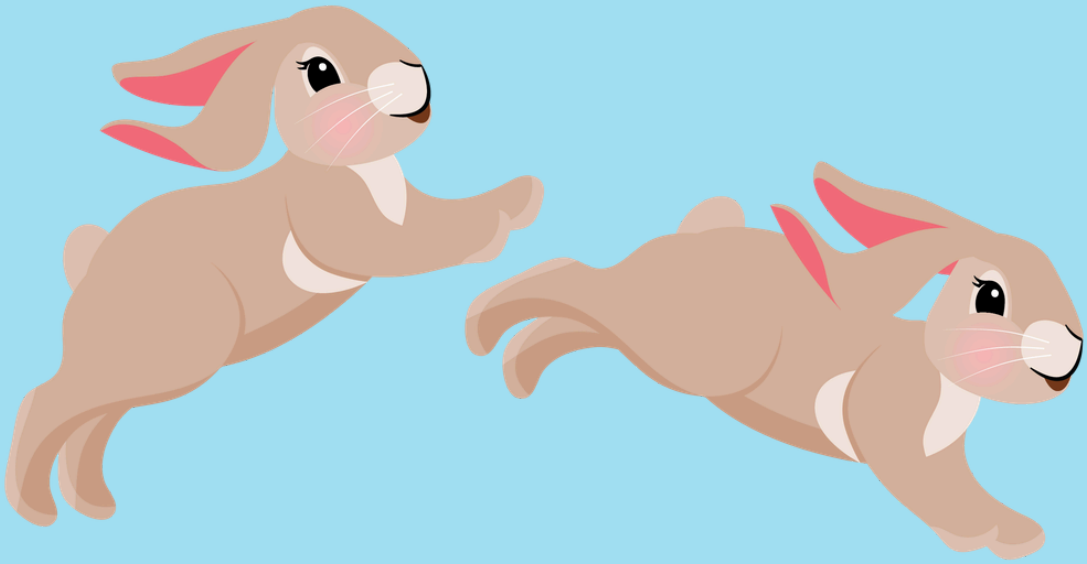
SUPER SELLER REWARDS

2027

Revised November 24, 2026

Dream Big. Set Goals. Achieve Something Amazing!

Girl Scouts who set big goals and reach them in the Cookie Program can earn amazing rewards, exciting experiences, and even the opportunity to renew their Girl Scout membership! Their accomplishments can also help support activities and experiences for their troop.



Introducing Super Seller Rewards!

This year, we're excited to launch our new Super Seller pilot rewards program just for Girl Scouts who achieve 500+ packages sold.

Reach 500 packages and earn your first Super Seller point! Then, earn one additional point for every additional 100 packages you reach. The more you accomplish, the more points you earn – and the more choices you'll have!

Use your points to choose from a variety of prizes, experiences or Girl Scout membership renewal.

Explore this flyer to discover what you can achieve!

HOW SUPER SELLER REWARDS WORK

How do I select my rewards?

After the Cookie Program concludes, every Girl Scout who reaches 500+ packages will receive an e-mail with:

- The total number of Super Seller points earned
- A link to the online Super Seller rewards selection form

Please make sure your email address is current in our system! Girls must make all reward selections at the same time, as the system will allow only one form submission per Girl Scout. Be sure to review the point values carefully, use all your available points and do not select rewards that exceed your point balance.

If you qualify for Super Seller rewards but do not receive your e-mail by March 22, 2027, please contact the Product Program Team.

Need help updating your e-mail address? Contact Customer Care at 800-672-2148.

When do I need to select my rewards?

The online rewards selection form must be completed by March 31, 2027.

Girl Scouts who qualify for Super Seller rewards but do not complete the form by the deadline will receive Cookie Dough in lieu of any possible experiences/rewards.

How will I receive my rewards?

Rewards may be:

- Mailed through USPS
- Delivered digitally by email
- Shipped directly from the vendor

Rewards may arrive at different times, but all rewards should be received by July 31, 2027.

FREQUENTLY ASKED QUESTIONS

Why does the pictured item look different from the one I receive?

Pictured items are examples and may change based on availability. This may include color, brand, style or ticketing type.

If an item is discontinued, out of stock, or becomes unavailable due to a price increase, a replacement item with the same budgeted value will be provided.

What if I don't receive my reward?

Please allow until the end of June for rewards to be ordered and shipped before contacting the Product Program Team about a missing reward.

Rewards mailed through USPS will include tracking information. GSCP2P cannot replace rewards that were delivered to the address or email address provided on the submission form. If tracking confirms that a reward was delivered, it cannot be replaced.

IMPORTANT INFORMATION

All rewards and experiences are subject to availability and may change. It is the caregiver's responsibility to check all age, weight, risks and other restrictions prior to making reward selections. Reward selections cannot be changed after submission.

Participation in the Super Seller pilot program is based on the number of Cookie Program packages sold. Girl Scouts who reach the 500+ package level will be eligible to select rewards and experiences through an online form after the Cookie Program concludes.

Girl Scouts and their caregivers are responsible for submitting reward selections by the deadline.
Past-due accounts: Girl Scouts with past-due accounts as of March 31, 2027 will forfeit all Super Seller rewards.

Rewards are subject to change based on availability. If a selected item is discontinued, out of stock, or reflects a price increase, a replacement item with the same budgeted value will be provided. Images on flyers may not represent actual color of item.
