

Rewards For All Girls

Girls whose troops elect higher proceeds of \$0.80 per package are only eligible to receive the rewards on this side of the flyer. Girls in troops that elect the base troop proceeds plan are eligible to earn the rewards on both sides. Rewards are cumulative so girls can earn all the rewards to the highest level achieved. Rewards are not replaceable and are non-transferrable.

G.E.O. (Emerald Pointe) event information will be e-mailed directly to qualifying girls the week of April 15.
