

Juliette Girl Scouts: Frequently Asked Questions

1. Can Juliette members still earn their Bronze, Silver and Gold Awards?

Answer: Yes, Juliette Girl Scouts can earn the Highest Awards without being in a troop. More information about the Highest Girl Awards can be found here:

- [Bronze](#)
- [Silver](#)
- [Gold](#)

2. Do I need to register as an adult member now that my girl is a Juliette?

Answer: Yes, Juliette Girl Scouts are required to have one adult mentor registered to help guide them on their Girl Scout journey.

3. Can Juliette members participate in council and Service Unit events?

Answer: Yes, Juliettes can participate in any council and Service Unit events. Events will specify whether an adult is required to be present at the event.

4. How do Juliettes earn money?

Answer: Juliettes can earn money through the Fall Product and Cookie Programs. Juliette members cannot have a troop account; therefore, all earned money will be given to the Juliette in the form of Daisy Dollars (similar to Cookie Dough but with a longer expiration date) and Nut Bucks. Please contact info@girlscoutsp2p.org to receive the required forms to sell Fall Product or cookies.

5. Can Juliettes use Daisy Dollars or Nut Bucks for council events, Service Unit events, camp or travel, uniforms and/or books?

Answer: Daisy Dollars or Nut Bucks can be used for all of the above. In some instances, you may have to pay out of pocket initially, but if you keep receipts and detailed documents, you can submit a [Cookie Dough Redemption Form](#) and send to info@girlscoutsp2p.org.

6. Can Juliettes partner with a troop for the Fall Product or Cookie Program?

Answer: Yes. However, if a Juliette partners with a troop, the troop proceed portion of the sales stay with the troop after completion of the sales. The Juliette will earn her individual amount (similar to Nut Bucks and Cookie Dough) in the form of either Nut Bucks or Daisy Dollars. Juliettes who sell individually will be able to have booths at “mom and pop” businesses and participate in online sales, but they cannot choose booths from the cookie booth lottery in Smart Cookies.

7. Can Juliettes use Nut Bucks or Daisy Dollars for a service project?

Answer: Juliette will need to first purchase the items needed for the service project. Then, they will need to turn in all receipts and detailed documentation to the council for reimbursement.

8. If a Juliette is splitting from a troop, can the troop send that girl's portion of troop proceeds with her?

Answer: Per Girl Scout regulations, troop money belongs to the troop regardless if a girl leaves. However, if the troop is in agreement to send a portion of the funds with a girl that is transferring to Juliette status, the troop leader can write a check to the council, and the council will hold the money for the girl to use. After the funds are gone, Juliettes will rely on funds from Daisy Dollars and Nut Bucks. This is the one and only time that a troop can transfer money to a Juliette.

9. How can I receive information while being a Juliette member?

Answer: When a girl becomes a Juliette, we notify the Service Unit in your area to put you on their monthly e-mail distribution list and invite you to attend monthly Service Unit meetings. Your Service Unit team will usually have a coach for specific program levels and can offer advice on particular badges/journeys. All Juliette guardians/mentors will also be updated with council newsletters and Juliette newsletters.

- For council events, please check out our [Event Calendar](#) as well as our council e-mails.
- We will also send you a copy of the [Juliette Guidebook](#) as a resource to guide you on your new adventure.
- In collaboration with the Guidebook, we also have a council [Juliette Facebook](#) group.

10. Will I have access to the Volunteer Toolkit (VTK)?

Answer: Yes, Juliettes now have the ability to create their own year plan in the VTK. If there is more than one Juliette within a household or connected to one e-mail, the VTK will show a drop down menu to switch between girls giving them each their own personalized year plan. Please review the [Juliette Volunteer Toolkit Guide](#) for more information on how to get started.
