# CAMP GINGER CASCADES

*\*\*All program/living areas of camp have access to a telephone in the area, which is also a pager system for the whole camp. All bathrooms have warm showers, sink and flush toilets except for the pit latrine in Mary Leach Hollow. All areas of camp have ceiling fans, fans or air conditioning for cooling and small heaters or heat pump for heating. Sports and camping equipment is available for check out. An Automated External Defibrillator is available on the property for emergency use.*

## Arts & Crafts Room

*Capacity: 25*

This programming space can be used for arts and crafts, STEM activities or anything you can dream up! Bring your own program supplies.

## Catawba Lodge at Hilltop

*Sleeps: 37*

At the top of the hill, this winterized lodge's upstairs includes four sleeping rooms with bunkbeds and single beds, all in dorm mattress size, common room and a handicapped accessible bathroom. The downstairs includes a large activity room (seats 80 at tables), break room (stove, refrigerator, microwave, sink) and bathrooms/showers. The activity room includes dry erase boards and projector screen for presentations. The Catawba Lodge provides year-round comfort with heating and air conditioning and is handicapped accessible. Six platforms can be used to set up your own tents if they have mosquito netting or ones checked out from the council.

## Lady Slipper Troop House

*Sleeps: 21*

This lodge-style troophouse contains all of the amenities your troop needs for a comfortable weekend at camp. This space sleeps 21 guests and has 8 bedrooms. The lodge has an indoor kitchen and bathrooms, as well as air conditioning. There is also a living area with couches, a TV and DVD player.

## Mary Driggers' Dining Hall

*Capacity: 180*

The upstairs of the dining hall includes an area to seat up to 180 people at tables and a large, fully equipped, institutional kitchen. The winterized, handicapped accessible dining hall can be used for games, dancing, instruction or other group gatherings. Serving options include both family style and cafeteria style. Below the dining hall is a large concrete-floored, open sided room with picnic tables and an air-conditioned art/craft room for 30 (storm shelter). There is a fireplace on the upper and lower levels. Bathrooms are located downstairs. The camp's climbing wall is attached to an outside wall of the building.

## Mary Leach Hollow

Picnic area, open area for games, Ginger Creek for cascading (sliding down natural waterfall), shelter with picnic tables, fireplace, microwave, sink and warm showers and a pit latrine. Two, four and eight person tents are available for use or sleep out under the stars. Sports equipment is available for check out.

LADY SLIPPER TROOP HOUSE

# CAMP GINGER CASCADES

## Mushroom Mount

*Sleeps: 48*

Located nearest the lake, this unit has two cabins with four rooms each. Every room has two bunk beds and two cots (sleep six each). The shelter contains a fireplace, picnic tables and kitchen (stove, refrigerator, microwave, sink). The shelter, bathroom and one cabin are handicapped accessible.

## Owl Hollow

Primitive camping is fun for girls. Sleep in one of the eight hammocks, pitch your own tent or borrow the two, four or eight person tents from camp. Two portable camper toilets are available. You can check out council backpacks to carry your gear or the camp can deliver your equipment as the road is four-wheel drive access only.

## Rainbow Ridge

*Sleeps: 48*

This site consists of eight small, insulated cabins, each with six cots, ceiling fan, small heater and electricity. Each cabin's door is painted a different color (red, orange, yellow, green, indigo, violet and teal). The shelter contains a fireplace, picnic tables and kitchen (stove, refrigerator, microwave sink). The shelter, bathroom and one cabin are handicapped accessible.

## Rocky Ridge

*Sleeps: 32*

Nestled among the trees, all the unit's buildings are connected by ramps and are completely handicapped accessible. This treehouse unit includes a kitchen (stove, refrigerator, microwave, sink) and fireplace in the shelter and a bathhouse. Each of the four treehouses has two rooms with four cot size beds.
