

## Outdoor and Camping Equipment Rental Reservation

Explore the outdoors with our gear! All proceeds from rentals go toward improving outdoor programs, equipment and accessibility across all areas of the Girl Scouts Carolinas Peaks to Piedmont (GSCP2P) Council. Additional donations of equipment are always appreciated! Contact an Outdoor Experience Manager at [info@girlscoutsp2p.org](mailto:info@girlscoutsp2p.org) for more information about how to donate.

- All equipment is available on a first come, first served basis. To ensure availability of equipment, submit equipment rental requests at least two weeks in advance (up to six months in advance).
- Customers will be notified within five business days regarding their request and subsequent approval or denial thereof.
- Payments for requests will be processed immediately upon approval.
- Individuals responsible for rentals must be at least 21 years of age or older.

### **Cancellation/Refund Policy for Equipment Rental:**

If equipment rentals conflict with GSCP2P Outdoor Program after a reservation has been made, we reserve the right to deny a rental request. The council will give the renter notice of cancellation within two weeks of the reservation date and provide a full refund.

- If the renter cancels the contract, a written request must be submitted at least 15 days prior to the rental request date to receive a full refund.
- Should the written cancellation be received less than 15 days prior, refunds will not be permitted.
- The total fee is refunded if the reservation is cancelled by Girl Scout staff.
