# “EMBRACE POSSIBILITY” during the 2024 Fall Product Program and explore the world of Asian elephants.

## Benefits of Participating:

- Girl Scouts learn and practice skills like goal setting, decision making, money management, people skills and business ethics as they earn proceeds for their troop.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.
- Proceeds stay local to benefit our council. Troops can either:
  - Earn 15% of the retail price on all items sold with the girls receiving all the rewards to the highest sales level achieved OR
  - Earn 18% of the retail price on all items sold and girls only receiving the patches to the highest sales level achieved

## How the Fall Product Program Works:

This program allows Girl Scouts to be entrepreneurs by offering family and friends the opportunity to purchase from a variety of products. There are two ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to place an order. Customers can choose to have nuts, chocolates, magazines, Tervis® Tumblers or a Girl Scout themed BarkBox shipped directly to them or they can select from a group of nut and chocolate products that Girl Scouts can deliver.

## Important Dates:

- **September 16:** Program begins – online ordering opens and Girl Scouts may sell in-person.
- **October 21:** Last day of order taking with the order card AND deadline to enter the items sold into the online system.
- **October 26:** Last day for online candy/nut girl delivery orders.
- **November 11:** Last day for online orders for Magazines & More items and shipped candy/nut orders.
- **November 14-16:** Girl-delivery candy/nut items will be delivered to service unit sites.
