

Girl Scouts Carolinas Peaks to Piedmont 2025 Booth Guidelines

- Plan to bring your own table & chairs unless notes specifically state they will be provided.
- Follow all requests & directions from store management. Booths are a privilege, not a right and businesses are not required to let us set up at their establishments or booth sponsors can cancel booths at their discretion.
- Do not block doors or impede the flow of customer traffic.

<u>Booths Secured by Council or SU Volunteer</u>	<u>Guidelines:</u>
Walmart	<ul style="list-style-type: none"> • Approved sale dates vary by location. Troops should not approach Walmart for booth permission, permission is only obtained through GSCP2P's booth lottery system. Do not ask store manager for additional booth times as this could affect our national agreement. • Check your My Reservations screen in Smart Cookies to ensure which door your troop is setting up as Walmart locations may have more than one entrance. Another troop may be selling at the same location at another entrance. • Booths are to be at least 15 feet from the entrances. • Neither table nor Girl Scouts may block entrances • Only table and chair are authorized; no other equipment may be present (no tents, no space heaters, no signs, no animals (except service animals)). • Troop volunteers and Girl Scouts must wear appropriate attire (or uniforms) and conduct themselves in a professional manner. • Neither girls nor adult volunteers can eat, read, smoke or use mobile devices except for cookie sale transactions, while manning the booth. • Troop must comply with all requests from the store manager. At no point should a Girl Scout or adult volunteer attempt to challenge any direction from the store manager or designee. If a conflict arises, contact a council staff member. • If approached by a reporter, Girl Scout troop members and volunteers should respond with "I'm sorry, I'm not the best person to respond to your questions. I'll be sure to let the appropriate person know when I'm done with my shift," or similar language. Then, direct any media inquiries to the council Chief Marketing Officer or the Walmart Media Hotline at 1-800-331-0085.
