

Did you know?

Volunteer Support

The Girl Scout Cookie Program equips our volunteers with the necessary resources to support year-round activities and impactful, girl-led community projects. Through their efforts, volunteers create a safe and supportive environment where girls can explore their potential. The funds raised enable troops to embark on enriching trips, undertake meaningful service projects, and acquire new skills.

Looking to join our movement? Contact us at 800-672-2148 or info@girlscoutsp2p.org.
