

Rewards For All Girls

Rewards on this side of the flyer can be earned by all Girl Scouts regardless of what proceeds plan is chosen by their troop. Girls in troops that elect the base troop proceeds plan are eligible to earn the rewards on both sides.

Rewards are cumulative so girls can earn all the rewards to the highest level achieved. Rewards are not replaceable and are non-transferrable. Tickets/gift card is required for entry to all attractions/experiences and will be distributed to you through your Troop Cookie Manager. All tickets have an expiration date and cannot be replaced!
