Dear Girl Scout,

To help you reach your troop and personal goals for the 2027 Girl Scout Cookie Program, we are offering a “Buy 5” incentive for our cookie customers, troops, and girls. Any customer who purchases five packages of cookies will have their name entered in a drawing to win a year’s supply of their favorite Girl Scout Cookies (total of 52 packages). The drawings are for anyone (including Girl Scouts and their family members) who purchase at least five packages during a single transaction. Multiple entries are accepted. A customer receives one entry for every five packages purchased (i.e. five packages = one entry, 10 packages = two entries, etc.).

The Buy Five Program For Cookie Customers

For troops holding booth sales, please make a special container to collect entries labeled accordingly. Such as, “BUY 5 PACKAGES – ENTER TO WIN A YEAR’S SUPPLY OF COOKIES!”

One way to promote this during the Girl Scout Cookie Program and support Cookies for a Cause is to tell your customer, “Buy five packages today - four packages to take home plus one for our first responders - and be entered in a drawing for a year’s supply of Girl Scout Cookies, too.”

Winners will be responsible for picking up their cookies from their nearest service center and will be contacted by the council to arrange for pickup. Cookies will not be shipped. All 52 packages will be awarded at once, and the customer can choose the cookie varieties.

Girls, please make sure your name and troop number are printed clearly at the bottom of your entry slips. Entries may be submitted by bringing them to your local service center, by mail, or digitally. Original entries must be cut and returned to your local service center no later than March 9. No faxes accepted. Each troop is responsible for submitting all entries by this deadline. The drawings will be held on March 11, 2027.

Questions can be directed to our Business Operations Team at info@girlscoutsp2p.org or 800-672-2148.

Four of our lucky customers will be winners of “Buy 5.” We will have one drawing at each of our four service centers.

Enter by March 9, 2027. Enter on paper slips, by bringing to a service center, by mail, or digitally below.
